city guide 2025

Welcome to Berlin, a city where creativity meets craftsmanship, and where food and coffee culture are constantly evolving. From early-morning flat whites to late-night cocktails, this guide is your companion to discovering the most inspiring cafés, bars, and restaurants across the capital.

Curated with care, each featured location stands out for its quality, atmosphere, and dedication to craft, whether it's in the cup, on the plate, or behind the bar. Whenever a La Marzocco espresso machine is part of the experience, you'll find it noted.

Enjoy exploring Berlin's vibrant culinary landscape: one sip, one bite, one story at a time.
